

# Revive

## Cold Cups, Lids & HexCell Trays

The Revive range of rPET (recycled polyethylene) packaging offers the value, variety and selection your business requires and your customers expect.

# Cold Cups

With a range of six cups and matching lids this product is disposable and convenient. As an rPET product they are easily recyclable through kerbside council collections. The clear cups are strong and crack resistant, ideal for cold drinks such as smoothies, beer, juices, slushies and more.

REVRPSL16/20	Fits 16/20oz / 540-585ml	98mm	CT/1000

# HexCell Trays

Revive HexCell Meat Trays are made using recycled PET, rather than only virgin material, and (once rinsed) can be easily recycled in co-mingled recycling. The hexagonal cells at the base of the tray capture and retain liquid, helping to prevent leakage through the overwrap/film and eliminating the need for soaker pads.

## HexCell Meat Trays

CODE	DESCRIPTION	UOM
REVHXC85	Revive HexCell Trays / 8 x 5"	CT/660
REVHXC87	Revive HexCell Trays / 8 x 7"	CT/500
REVHXC115	Revive HexCell Trays / 11 x 5"	CT/420
REVHXC119	Revive HexCell Trays/ 11 x 9"	CT/280
