

LESNIE'S

EST. 1910

Supporting the Australian Meat Industry

Since 1910 Lesnie's has been providing retail butchers with high quality ingredients. With a reputation for using only the finest mixtures, Lesnie's enhances your butcher's range by adding value and flavour to meat products, so you can offer your customers a broader flavour selection.

Marinades Liquid & Powder

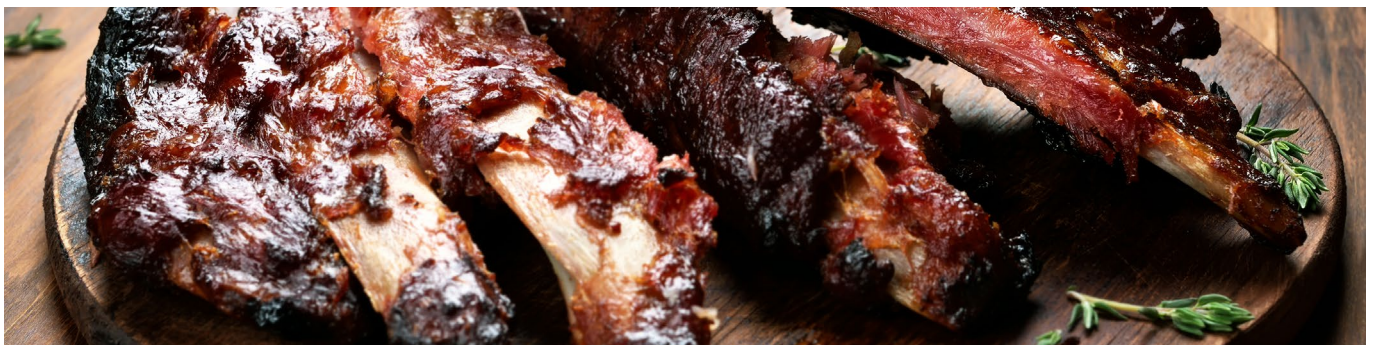

LESNIES
EST. 1990

The new Lesnie's just got even better with these Australian-made marinades. Always highly sought-after, this range now includes improved fresh flavours, superior quality ingredients plus a wide choice of gluten free options. With no unnecessary additives or preservatives, these marinades bring you added-value and meet your customer's needs.
