

# Pristine

HYGIENE SOLUTIONS

---

Pristine washroom products are made with quality materials to provide continued value to any business.

With a wide range of essentials including toilet paper, facial tissues, hand towels and dispensers, you can find the total washroom solution with Pristine.

## PREMIUM PLUS Range

Pristine's **PREMIUM PLUS** range is manufactured using Through-Air-Dried Technology (TAD), which spreads fibres to create absorbency pockets to draw water in. This results in softer, more absorbent and stronger hand towels. This range is available in four sizes and are all compatible with a Pristine dispenser.

PS3021PP

CODE	DESCRIPTION	SIZE	UOM	COMPATIBLE DISPENSER
PS2324PP	Hand Towel, Slimline, Interleaved (FSC®, HACCP)	185 Sheets	CTN/21	PS741

The mark of responsible forestry

### Made from Renewable Sources

Selected Pristine facial tissues, roll towels, hand towels and toilet tissues are Forest Stewardship Council® (FSC®-C117930) certified. FSC® is a global, not-for-profit organisation dedicated to the promotion of responsible forest management. FSC® promotes environmentally appropriate, socially beneficial, and economically viable management of the world's forests.

### HACCP International Certified

Selected Pristine roll towels and hand towels are HACCP International certified meaning they are suitable for use in facilities that operate in accordance with a HACCP International based Food Safety Programme. This is an internationally recognised method of identifying and managing food safety risk.

## Washroom Dispensers

Pristine's range of quality dispensers are made to suit any washroom. Pristine washroom dispensers are made from high-impact ABS plastic and are a durable hygiene solution. Each dispenser has been designed to deliver a clean and seamless finish on the wall.
