

KATERMASTER

Catering & Kitchen Supplies

Katermaster's range of baking paper, aluminum foil and cling wrap are a Premium Catering product suitable for use in busy commercial kitchens. Each product comes in a recyclable outer carton, while the inner core should be separated and disposed of in landfill.

The Baking Paper range is made from well-managed Forest Stewardship Certified (FSC®-C117930) forests and other controlled sources, as well as HACCP International certified.

KATERMASTER

Made from Renewable Sources

Katermaster Baking paper is Forest Stewardship Council® (FSC®-C117930) certified. FSC® is a global, not-for-profit organisation dedicated to the promotion of responsible forest management. FSC® promotes environmentally appropriate, socially beneficial, and economically viable management of the world's forests.

HACCP International Certified

Katermaster Baking Paper is HACCP International certified meaning that they are suitable for use in facilities that operate in accordance with HACCP International based Food Safety Programme. This is an internationally recognised method of identifying and managing food safety risk.
