The solution is in your hands

Single Select Napkins

Single Select Napkins

Sustain's Single Select Napkin solution is designed to encourage a reduction in napkin usage and waste. The dispenser features a blank space on the back of the promo card where you can display your brand.

Made from Renewable Sources

These napkins are made from material from well-managed, Forest Stewardship Council® (FSC®-C117930) certified forests and other controlled sources.

The Forest Stewardship Council® (FSC®-C117930) is a global, not-for-profit organisation dedicated to the promotion of responsible forest management. FSC® promotes environmentally appropriate, socially beneficial, and economically viable management of the world's forests.
