

# SALAMI SEASON

Make the Best Salami This Season with Bunzl

## Non-Edible Casings

For better weight and size control, these casings can be a good option for cooked and fermented salami.

| Product Code   | Description                              | UOM          | Ideal For        |
